

## Testimony

**United States Cong. House. Joint Subcommittee Hearing by the House Committee on Foreign Affairs' Subcommittee on Terrorism, Nonproliferation, and Trade and the Committee on Armed Services. Rose Gottemoeller, Under Secretary for Arms Control and International Security, "Administration Responses to Russian Arms Control Cheating on the INF Treaty Provisions," Q&A with Representative Trent Franks (AZ). TS 1 Dec. 2015.**

FRANKS: ...Ms. Gottemoeller I understand that Amb. Thomas Graham has suggested publicly that the administration is looking to circumvent the constitution and...actually pursue a prohibition of nuclear testing through a UN security council resolution. I obviously would recoil at any Security Council dictating American defense policy. Can you assure this committee that the administration is not pursuing this idea?

GOTTEMOELLER: Sir, I have been in constant battle with our NGO colleagues over this issue. We do not agree with this notion.
